6. HOW DO WE KEEP YOUR INFORMATION SAFE AND CONFIDENTIAL?

In Short: We aim to protect your personal information and your Company's confidential data through a system of organizational and technical security measures.

Our MOS Web Site and Online Services are designed inherently such that your personal information and your Company's confidential data (i.e. data other than that which is already publicly available such as on the FCC's web site) will not be visible to, or shared with, any other user of the Site, except for Micronet staff, users from your own Company whose details are recorded in our Customer Database, or pre-approved users from a third-party recorded in our Customer Database who manage your business on our Site, on your behalf.

Our MOS Site and company procedures require and ensure that each new registrant gets verified and authorized before they are allowed to conduct business on our MOS Site (i.e. before they may submit new links for study or registration, or modify / delete / cancel existing links).

Our MOS Site furthermore offers the ability to restrict functionality, or deny access to specified areas of the Site, for certain individuals from your Company, if so desired. Please contact us with your request in this regard at the Contact details provided at the end of this Notice.

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal or Company information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

We do not knowingly solicit data from or market to children under 18 years of age. By using the Services, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Services. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18, please contact us at mos@micronetcom.com.

8. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: You may review change or terminate your account at any time.

You can withdraw your consent at any time by contacting us by using the contact details provided in the section "[HOW CAN YOU CONTACT US ABOUT THIS NOTICE?](#)" below.

However, please note that this will not affect the lawfulness of the processing before its withdrawal nor, when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

9. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy and data confidentiality notice.

10. DO CALIFORNIA RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

In Short: Yes, if you are a resident of California, you are granted specific rights regarding access to your personal information.

California Civil Code Section 1798.83, also known as the "Shine The Light" law, permits our users who are California residents to request and obtain from us, once a year and free of charge, information about categories of personal information (if any) we disclosed to third parties for direct marketing purposes and the names and addresses of all third parties with which we shared personal information in the immediately

preceding calendar year. If you are a California resident and would like to make such a request, please submit your request in writing to us using the contact information provided below.

If you are under 18 years of age, reside in California, and have a registered account with Services, you have the right to request removal of unwanted data that you publicly post on the Services. To request removal of such data, please contact us using the contact information provided below and include the email address associated with your account and a statement that you reside in California.
