

## How to register an account in MOS:

The screenshot shows a registration form with a dark red header labeled "Register". Below the header are three input fields: "Email", "Password", and "Confirm Password". At the bottom of the form, there is a checkbox with the text "By registering this account, I agree to Micronet's Terms of Use and Privacy and Data Confidentiality Notice". A "REGISTER" button is located at the bottom left of the form.

1. Visit the MOS registration page at [www.micronetcom.com/MOS/Authority/Account/Register](http://www.micronetcom.com/MOS/Authority/Account/Register)
2. Provide an email address, a password and check the checkbox at the bottom, then click on the REGISTER button.
3. A confirmation email will be sent to the email address provided (check in your spam folder If you didn't receive it). Inside the email there will be a line that reads, "Please visit [this link](#) in order to confirm your email and to activate your account." Click on the underlined words (i.e. "this link") to confirm your email address.
4. Once your email address has been confirmed, log into your MOS account at [www.micronetcom.com/MOS](http://www.micronetcom.com/MOS)
5. You will be routed to your Account page. Fill in your first name, last name, company name and a contact number, then click on the SAVE button.

The screenshot shows the "My Account" page with a dark red header. Below the header are several input fields: "Email / Username" (with a person icon and the value "mos2.user@gmail.com"), "First Name" (with a person icon and the value "MOS"), "Last Name" (with a person icon and the value "Demo"), "Company Name" (with a building icon and the value "ABC Communications"), "Phone Number" (with a phone icon and the value "(123) 456-7890"), and "Extension" (with the value "Enter Extension"). A "SAVE" button is located at the bottom left of the form.

If our email address was known to Micronet at the time of registering your MOS account, you're all set and your FRN(s) should already be loaded in MOS.

If our email address was not recognized by us at the time of registering your MOS account, you will get a popup where you can request an update of our records with your email address, request a quotation of our services, or opt to continue as a guest.

**Upgrade MOS User Level** X

Your MOS profile is that of "GUEST" currently.

To upgrade your user level, choose one of the following options:

- My company is an existing Customer of yours. Please update your records with my email.
- I'm new to Micronet. I'm interested to become a Customer of Micronet.
- I would like to proceed as a "GUEST" user for now.
